

SAQ PERSONNEL CERTIFICATION

Qualifies your competences

A personnel certificate from SAQ Swiss Association for Quality identifies you as an expert in your professional activity and confirms your versatile talents.

The benefits for you:

- Independent proof of your skills
- Strengthens your profile towards clients and employers
- Increased job security through better career opportunities
- Life-long learning through regular recertification

The benefit for your employer:

- Reliable verification of training, knowledge and skills
- Neutral proof of qualification and suitability for the job
- Continuous development through recertification
- Consistent quality standard within the job profile
